ORDER: -

The Secretary, Board of Intermediate Education, vide reference read above, has stated that, the procedure adopted for the system of extending renewal of affiliation is, issue of notification for renewal of affiliation for a particular block period i.e. 2012-2013 to 2016-2017 (5 years) and the 2nd Block Period i.e. from 2017-2018 to 2021-2022 which ended by May, 2022. The Board of Intermediate Education, has issued year-wise notification from time to time. After issue of notification the applications from the managements are invited through 17-11-2022. Provisional Renewal Affiliation is extended for those colleges, which fulfill all the conditions. He further stated that, out of total 2,327 Private Junior colleges, which have applied for renewal of affiliation, only 514 Junior Colleges were found to have complied with all the norms stipulated by the Board of Intermediate Education, for granting affiliation. For the balance of Private Un-aided Junior colleges, which have not fulfilled the requisite criteria and prescribed certification, renewal of affiliation had been withheld for submission of documentary proof as required under the applicable regulations. Several representations have been received by the Secretary, Board of intermediate Education, from un-aided Private Junior Colleges stating that, they have applied for requisite permissions and clearance from various departments concerned and pending for processing or clearance either at District - Level or Head Office of the department concerned for want of field inspections and scrutiny of documents.

2. He has further stated that, conditional affiliation orders were issued by him since last 10 years and owing to non-finalization of the process, scrutiny and processing of the documentation submitted by the Private managements for the current Academic Year may required considerable time. After the commencement of the class work, nearly six months have elapsed during the current Academic Year and it may not be in the best interest of the students to shift them to other colleges whenever decision in a larger scale is taken for rejection of affiliation. Keeping in view that the block period is allowed after 5 years on payment of a requisite affiliation fee, unless the applications are decided and disposed finally, the next block period of 5 years can not be carried into effect.

3. Owing to the legacy issues, inter departmental coordination and taking the academic interest of the students into consideration, the Secretary, Board of Intermediate Education, has therefore, requested the Government to accord permission to him to extend / renew affiliation to all the Private Un-aided Junior Colleges in the State on conditional basis for the Academic

finality and a logical conclusion, it is felt necessary to delegate some of the functions involved in the process at the District Level.

4. Government, after careful consideration of the matter, hereby constitute a Committee headed by the Collector and District Magistrate at District - Level as Chairman, consisting the following members:

- 1) District Collector - Chairman
- 2) Superintendent of Police - Vice Chairman
- 3) District Fire Officer - Member
- 4) Municipal Commissioner - Member
- 5) District Panchayat Officer - Member
- 6) Regional Inspection Officer - Member Convenor

5. The above Committee shall submit its monthly-wise review reports and the action taken reports during the first fortnight of April every year; the Committee shall recommend to the Board of Intermediate Education, the list of Colleges to which affiliation may be extended and details of cases where affiliation is proposed for rejection; list of colleges which complied with the Board norms, List of colleges which are not complied with the Board norms, and a contingent plan for shifting the students to the nearest Private / Government Junior Colleges in case of rejection of affiliation to any college. The Committee will have a monthly meeting at District Level and they are to dispose of the applications on merit.

6. The Secretary, Board of Intermediate Education, is therefore, requested to take further necessary action accordingly, in the matter.
